

**CLEAN · POLISH · PROTECT**

# Stainless Steel Polish/Protectant

**Hydrophobic · Nano-ceramic**  
**Protects up to 6 months!**

Once your stainless is clean, KEEP it clean with Flitz Stainless Steel Polish/Protectant. This is **NOT a cleaner**. It's designed for use after you've cleaned your stainless with Flitz Stainless Steel & Chrome Cleaner to keep additional cleaning to a minimum and give it a showroom-new shimmer.

**Safe on:**

- ★ Brushed or polished stainless steel
- ★ Chrome
- ★ Glass & Shower glass
- ★ All sealed stone surfaces
- ★ Solar panels & more!

**Exclusive formula resists:**

- ★ Stains
- ★ Fingerprints
- ★ Pollen
- ★ Oxidation
- ★ Dust and grime

**Easy to use:**

- ★ Spray on
- ★ Wipe with Flitz microfiber cloth in direction of metal grain
- ★ If streaking occurs, reapply and let sit on the surface for a few minutes, then buff to a shine. No need to let it dry.
